YOUR MISSIONARIES TO THE NATIVE AMERICANS IN ARIZONA

✘ Have Faith—Move Mountains ✘

The theme for the Hualapai Baptist Church this year is Have Faith-Move Mountains. Since the New Year we have been looking at what the Bible has to say about the essential element of faith in the life of a Christian.

THANK YOU FOR YOUR SUPPORT !

God has been so good to our family and the Hualapai Baptist Church.

The focus on faith this year has led to a full altar several Sundays. This Spring our men have been busy with the Men's Retreat and a special work project at the Bill Rice Ranch West Branch here in Arizona.

Jail services with both the men and the women continue to reap results in souls saved and church visitors.

Resurrection Sunday well over 100 were in attendance. We began the day with a Sunrise Service and a fellowship breakfast. Then a full church during

the Sunday School hour and Worship Service encouraged all the regular attenders.

and on Facebook as the Steve De Ford family.

Spring Revival

Dr. Wil Rice IV was our guest evangelist for HBC's spring revival this year. Two men were saved as a result of the evangelistic messages. God moved in the hearts of numerous others who made decisions for Godly living.

Personal News:

This year God has blessed us with having the three younger boys and Molly all home for Christmas and the New Year. Steve and Josh were able to visit Drew early in March. Then Sherry celebrated a belated birthday with Jackie and her family in NC.

Molly continues to help Sherry with her class at the home school co-op.

Josh is working very hard completing his Senior year of high school and working full-time for the Kelli Ward for US Senate campaign.

Sherry is my best friend and partner in ministry. She is seeing progress in her students in the co-op and recently

started a new Bible study with the ladies in Philippians.

I accompanied Josh to Washington DC and New York City. We attended the annual CPAC convention-something Josh had requested for his Senior trip over a year ago. While back east we were able to visit three of our supporting churches.
