

De Fords

Your missionaries among the American Indians serving with the Hualapai Nation in Peach Springs, AZ at the Hualapai Baptist Church on Historic Route 66!

May 2017 Ministry Update

Family News:

Early in the month we made the trip to Pensacola, FL for the graduation of our son, Immanuel, on May 10th. God has tremendously blessed him over the past four years. And we thank you for your prayers for him during this time. He finished his last

semester with a 4.0 GPA. He is traveling this summer as a group leader for one of the college Proclaim Teams.

He will continue traveling as a college representative the next two years beginning this fall.

Meanwhile, our son, Micah, is spending the summer in California as an intern with a church plant in Simi Valley. He just completed his forth semester at West

Coast Baptist College.

Though he went a full year at Bill Rice Bible Institute, he will likely need four years to fulfill the requirements for

graduation at WCBC.

Josh, our youngest, just wrapped up his first year at PCC. We are enjoying having him home for the summer! He anticipates joining Steve at the local market pursuing his passion for coffee as a barista before returning to Pensacola in the fall.

Molly continues to help Sherry with things around the house now that our home school co-op has is enjoying the summer break.

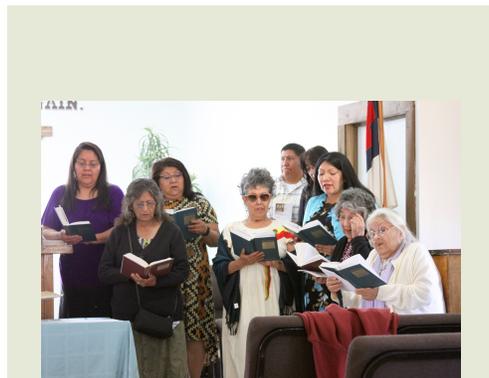

Ministry News:

Only fear the Lord, and serve Him in truth with all your heart, for consider how great things He hath done for you. I Samuel 12:24

Hualapai Baptist Church had a full schedule in May. Our men met for Men's fellowship early in the month. Attendance has been down recently for the fellowship, please pray that our men will remain faithful in ALL services.

Two Christian colleges presented their ministries during our mid-week prayer meeting. Both were a blessing. These ensembles have had quite an impact on our youth; all five of our co-op graduates are

Mother's Day 2017

attending Christian college!

On the 14th, we celebrated our mothers at our special Super Sunday Mother's Day Service. The dads made pancakes during our pitchin breakfast. Each mom was recognized during the morning worship service.

Some of our men got together for a work day doing some minor repairs and much needed yard work. We are so grateful for the men who volunteer their time and skills to help out with the church facilities as well as in the Sunday School classes on a weekly basis.

The ladies had an especially good Bible study in their monthly meeting. It was well attended. Praise God!

We rounded out the month remembering our fallen soldiers who died so that we may live free and were reminded that our Lord died so that we may know freedom from the power of sin.

We continue to serve because of the "great things He hath done for [us]. Thank you for supporting us in His work!

For God's Glory-the Steve De Ford family
