SPRING 2018

*Mark 16:6
Be not affrighted:
Ye seek Jesus of
Nazareth, which
was crucified:*

He is risen; He is not here: behold the place where they laid him.

Dear Friends and Family,

Thank you for your continued prayers and support. The Lord has blessed us over the last several weeks. And we are eager to share with you His marvelous works!

February

At Hualapai Baptist Church we enjoyed a special mid-week service Valentine's Day. The evening included a dinner and special message from God's Word. Rather than have a couples-focused banquet, we opted for a dinner centered on God's love toward us and our rightful response to that love.

February's Super Sunday fell on Presidents' Day weekend. We learned about the influence of the Lord and His Word in the lives of Washington and Lincoln, as well as in the history of our nation.

Later in the month, Steve and Sherry were able to take a trip to North Carolina. We presented the ministry among the Hualapai to the folks at Maranatha Baptist Church in Marion, NC. Maranatha is our daughter and

son-in-laws' church. We cherish every opportunity to see them and our grandson, Nathan. The church made us feel very welcome with a special fellowship meal following the service.

March

Wil and Sena Rice were with us the first Sunday in March. We always enjoy the fellowship of the Rice family, and appreciate the ministry of the Bill Rice Ranch. We are blessed to have West Branch just down the road in Williams, AZ as it brings our friends into the area often.

Wil was in town for the annual Men the Move conference later in the month. This year we had 12 men attend the conference (pictured above).

The highlight of the month was our Spring Revival with Evangelist Tim Thompson. Each night was very well attended. We have been encouraged to hear how God moved in the hearts of our church members during and since those meetings.

On the last Sunday in March, Steve baptized two of the children Sherry has had the privilege of teaching and one man who has been attending church (as well as the local RU program in Kingman). Praise the Lord for His work in these lives!

The greatest blessing
came Resurrection
Sunday with 3
professions of faith and a
very good crowd.

We praise God for the part each of you has in God's ministry here in Arizona.

For God's Glory,

Steve De Ford family
